FALCONER PUBLIC LIBRARY BOARD REPORT

APRIL 9, 2024 – MAY 13, 2024

On April 10th we had a reception for the students in Aleida Foulk's Advanced Artists classes from Falconer Central School. We had 56 visitors!

Library Board Trustee, Lisa Conti, and Laurie attended a lunch with members of the Ross Grange for "Library Day" on April 15th. Representatives from Ellington, Kennedy, Sinclairville, Fluvanna and Falconer libraries were asked to come and share what we are doing in our libraries. A donation was given to each library.

Book Club met on April 16th, they will meet again on May 21st. Readers are asked to pick a book from the selection of "librarian's choice" for the next discussion.

The van from Hultquist Place visited on April 17th.

The FPL Craft Club met on April 30th and made over 30 cards for the library. They focused on "Thinking of You", "Get Well" and "Sympathy" cards.

Representatives from Falconer Central School were at the library on Wednesday, May 1st to answer questions concerning the school budget.

Wednesday, May 8th was our last Story Hour classes. Story Hour Director Ashley Nelson promoted a love of books with fun, engaging, creative and educational classes from September – May.

The library is enjoying an art display for the month of May by the elementary students in Fenner Elementary art teacher Lauren Kimball's classes. There was a reception on May 8th with more than 100 people visiting!

The library board will meet on Thursday, May 16th at 8:00AM. We will be discussing the quotes we have received on the door and book drop.

VILLAGE OF FALCONER

RESOLUTION

REGARDING SETTLEMENT OF A PETITION OF THE CITY OF JAMESTOWN FOR THE PROPOSED ANNEXATION OF TERRITORY FROM THE TOWN OF ELLICOTT AND VILLAGE OF FALCONER TO THE CITY OF JAMESTOWN, IN CHAUTAUQUA COUNTY, NEW YORK.

WHEREAS, a petition dated November 25, 2019, was presented to the Board of Trustees of the Village of Falconer (the "Village") by the City of Jamestown ("City"), as a repeat attempt to annex to the City approximately 4 +/- acres of territory situated in the Town of Ellicott (the "Town") and the Village, identified by tax parcel numbers 371.14-1-20, 371.14-1-21, 371.14-1-48, 371.14-1-49, a portion of 371.14-1-22.1, and that portion of lands situate between the westerly bounds of tax parcel number 371.14-1-20 and the centerline of Tiffany Avenue (the "Property") (the "Proposed Annexation"); and

WHEREAS, pursuant to Sections 704 and 705 of the General Municipal Law ("GML"), a joint public hearing with the City, the Town and the Village was duly held on December 30, 2019, on said Petition for annexation, whereby the City, Town and Village heard testimony and received comments, objections, and written submissions from all parties interested in the matter; and

WHEREAS, the Village has previously duly considered said Petition and the oral and written evidence presented at said hearing, and the Village Board of Trustees has previously determined that it is not in the overall public interest to approve the Proposed Annexation; and

WHEREAS, in or about March 2020, the City commenced an original proceeding pursuant to GML § 712(1), challenging the Town's and Village's resolutions/orders insofar as they denied the Proposed Annexation on the ground it is not in the overall public interest; and

WHEREAS, the Falconer Central School District (the "District") intervened as a party of interest in said original proceeding; and

WHEREAS, pursuant to GML § 712(6), via Order of the Supreme Court of the State of New York Appellate Division, Fourth Department (the "Court") entered June 9, 2022, the Court designated the Hon. Frank Caruso, Terrence M. Connors, Esq., and Laura Linneball, Esq. (the "Panel") to hear and report to the Court after conducting a bench trial on whether the Proposed Annexation is in the overall public interest; and

WHEREAS, on March 20, 2024, in anticipation of a trial on the issue of whether the Proposed Annexation is in the overall public interest, the Hon. Frank Caruso and the parties to the litigation involving the Proposed Annexation participated in a mediation to attempt to resolve the issues raised in the proceedings; and

WHEREAS, District, the Village and the Town have reached an agreement in principle with the City and the BPU to end the City's repeat attempts to annex the Dow Street Substation (the "Settlement"); and

WHEREAS, the Settlement will set the stage for a more positive relationship between the affected neighboring communities and will foster a more cooperative approach to future controversies between the municipalities; and

WHEREAS, while the Town, the School District, and the Village have always maintained that the Proposed Annexation would not be in the overall public interest, the interests of the taxpayers of the affected communities will be best served by putting an end to the disputed annexation and allowing all parties to move forward without the cloud of uncertainty posed by ongoing litigation.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Village of Falconer, Chautauqua County, New York, that:

Section 1. The Board of Trustees of the Village of Falconer does hereby approve the terms of the Settlement of the Proposed Annexation as agreed by the Town, the Village, the District, the City and the BPU at the mediation held on March 20th, 2024, such terms summarized as follows:

The agreement in principal to fully settle the pending annexation proceedings commenced by the City of Jamestown, is a 20% reduction of the current assessed value of the Jamestown BPU's Dow Street Substation parcels (80% of \$6,592,856 = \$5,274,284.80), by way of an exemption granted by the Falconer Central School District, Town of Ellicott, and Village of Falconer pursuant to Real Property Tax Law Section 406(8), for an initial term of 10 years, in consideration for the City's discontinuance of the pending annexation proceedings and its agreement not to recommence annexation proceedings with regard to any of the Jamestown BPU's Dow Street Substation parcels for the duration of the term of the parties' settlement agreement. Said assessed value of the Dow Street Substation parcels, as reduced, shall remain fixed during the term of agreement, notwithstanding any future reassessment of the Dow Street Substation parcels during the term of the agreement.

The Parties further agree that upon receiving approval of all affected taxing jurisdictions, the City Council, and the Board of the BPU, a fully integrated written agreement will be prepared with input from counsel of the respective parties, to be executed by all parties and filed in the office of the tax assessor for the Village and Town.

May 9, 2024

Memorial Day is a day of remembering the men and women who died while serving in the United States Armed Forces. Formerly known as Decoration Day, it originated after the American Civil War to commemorate the fallen Union soldiers of the Civil War. By the 20th century, Memorial Day had been extended to honor all Americans who have died in all wars. We would like you to join us in observing **Memorial Day 2024** in the Village of Falconer.

A parade through the village will be held on **Monday, May 27th, 2024** and will assemble on Dow Street at 9:30 a.m. The parade will begin at 10:15 a.m. and travel down W. Main Street to N. Work Street, continuing to Pine Hill Cemetery. If you or your group will be able to join us, please contact Steve Cybart at 716-397-5265. We are always looking for ways to improve our parade. Your comments and suggestions will be greatly appreciated! Also, if you know any other individuals or groups that would like to join us, please encourage them to do so. We look forward to hearing from you and thank you for your cooperation and participation in this important community observance.

Sincerely,

Steve Cybart

Village of Falconer
101 West Main Street
Falconer, NY 14701

Mayor Jaroszynski and Trustees,

Thank you for taking the time to meet with me regarding our issues with our current building and location. I was proud to show you the technology and advancements we have made. With the businesses acquired over the last two years, after one hundred thirteen years and nine building additions in the Village of Falconer, we are finally running out of land. In review, I ask you and the village board to consider the following:

- 1) Designate No Parking on the east side of Merriam Street 165 feet south from East Main Street. Our loading dock has been on Merriam Street for 30 years with no issues. However, tenants living on the north side of East Main Street are parking on Merriam Street during the day. This causes issues with trucks backing into our dock. Until the last couple of years, no one had parked there, and it was not an issue. We can unload in the street, but it is not ideal. In the winter it is impossible.
- 2) There is a sewer line that runs through our parking lot from Work Street to Merriam Street. In order to expand our building, it needs to be moved. We met with the City of Jamestown BPU regarding moving the line. Their response was it is very feasible; however, it belongs to the Village of Falconer, and we need your permission to move it. We understand that it would be at our expense. We just request your permission.
- 3) We need to add between 3000-5000 sq. feet to our production space to continue to grow. Two plots that we own are at issue. Plots 063803-371.07-2-42 and 063803-371.07-2-37 are in our parking lot and 063803-371.07-2-33 is currently a residence that will be razed. I ask you to consider a resolution to rezone all three plots as commercial. See attached for the plots in question.
- 4) Remove and replace the trees on the terrace in front of our building. They are overgrown and are hazardous for drivers, pedestrians, and bicyclists.

Thank you for your consideration of the above requests. If you need any more information or need us to attend a meeting to discuss, please let me know.

Sincerely,

James M. Roach
President

Cindy Capestrani

Subject: Vehicles and Traffic Code

Hi Cindy and Jim,

Here is a scan of chapter 127 from the Village code book that regulates vehicles and traffic:

 [VOF-Chapter-127-Vehicles-Traffic.pdf](#)

Sections that deal with parking begin on page six. Regarding parking, Merriam Street is currently listed twice:

§ 127-45. Schedule XI: Parking Prohibited at All Times.

In accordance with the provisions of § 127-17, no person shall park a vehicle at any time upon any of the following described streets or parts of streets:

Name of Street: Merriam Street

Side: West

Location: From East Main Street to East Everett Street

§ 127-60. Schedule XXVI: No Parking Here to Corner. [Added 10-14-2002 by L.L. No. 2-2002]

In accordance with the provisions of § 127-27.5, the following locations are hereby designated as

"No Parking Here to Corner"

Name of Street: Merriam Street

Location: Southeast side of East Main Street intersection

I hope that helps,

Alan Gustafson Jr.

Cindy Capestrani

Subject: National Night Event on August 6th 2024 from 5-7:30 PM.
Attachments: POA.docx

Greetings, This request comes on behalf of the Falconer Neighborhood Watch Committee to have a **National Night Event on August 6th 2024 from 5-7:30 PM**. I have attached a rough draft of plans and to do's. I will have a formal agenda once I have all people and events secured. The firehall has been reserved for this evening. In an effort to keep things contained I have decided to run this in and around the firehall and in the village.

Please let me know if we have the approval and support of the village to carry out the rest of planning, begin to advertise, and last of all have a fun safe first National Night out event. Thank you to you both and let me know what else you might need from me.

National Night Out -Plan of Action

August 6,2024

FireHall-

- Ambulance Tour
- Fire Truck Tour
- Police Car Tour
- School Bus Safety
- School Safety-Principals
- Costumes?
- Canine presentation
- Falconer Safety Group-safety games
- Rotary-Games
- Falconer Beautification-
- Historical Society-presentation or artifacts to see
- Face Painting
- Food Trucks
- Any groups from the school
- Bike Safety-raffle off a bike/helmet
- Collection box of something safety related for community.
- Art area/color sheets

Falconer Businesses

- Sidewalk sales
- Safety Chalk draw area

Complete:

- ✓ Neighborhood Watch group support to hold event
- ✓ Bryce Webster has approved the use of the firehall
- ✓ Request sent to the village for approval of event

To do this week:

- Secure Ellicott Police Dept support and Help-Call Kevin
- Check into a **small amount of** grant money for chalk, facepainter, art supplies
- Set a planning meeting
- Advertise meeting
- Create announcements for event
- Create announcements to hand out to village stores etc in hopes they will open
- Contact school and get contacts for who to speak with over the summer

To Do's

- Plan
- Set events/people
- Get Newspaper and media releases prepped
- Can we announce on village sign?

April 20, 2024

Mayor Jaroszynski
Village of Falconer, New York
101 Main St.
Falconer, N.Y. 14733

Dear Mayor Jaroszynski,

This is my formal resignation from my position as the Code enforcement officer.

Working for the Village of Falconer has been a rewarding experience. I truly appreciate working with you, the village board and the village staff for the last two years.

Also, I want to thank CEO Alan Gustafson Sr. for his guidance and assistance.

Please feel free to reach out anytime, if you need any assistance.

Thank you,

Subject: Mosher St. Baseball Field

Good morning! My name is Rich Bianco and I am the Director of the Diamond Dawgs Travel Baseball program. Currently, there are over 30 student-athletes from the Falconer School District that are playing extra baseball in our program.

We would like the opportunity to talk with Mayor Jaroszynski and the Village Board to discuss options for the old Babe Ruth baseball field on Mosher Street. The Babe Ruth league folded several years ago, and the field's only use is the FCS teams in the early spring. We were hoping to invest some time and manpower into converting the current 60-90 baseball field into an adaptable 50-70 field so multiple teams could use it.

In our program, the 11 and 12 year old teams play on a modified sized field (50 foot pitching distance, 70 foot base paths), while our teams that are 13 and above use the traditional 60-90 field. Currently, the only 50-70 baseball fields in our area are at the Town of Carroll and at Bergman Park in Jamestown.

We are interested to see how our program and the Village of Falconer could collaborate to make these alterations to benefit the youth in our program and in our community. Thank you!
