## FALCONER PUBLIC LIBRARY BOARD REPORT AUGUST 12, 2024 – SEPTEMBER 9, 2024

We had a very busy summer at the library. Our “Adventure Begins at Your Library” Summer Reading Program was a success! We had 111 children, 15 teens and 79 adults signed up! We were very pleased that 132 of the 205 that signed up to join us finished the program! The support of our community has once again been overwhelming. Wendy’s, Burger King, Tim Hortons and Tops have all donated coupons for our participants. In addition, Brian and Kay Nelson, of the Falconer Vac Shop, sponsored our closing activity. A portion of their generous donation covered the cost of ice cream with the Off the Stick Ice Cream truck visit for those who finished their summer reading goal. There was also continued support and generous donations towards our summer activities from Sue and Doug Seamans.

We had various activities on our “Adventure Tuesdays” that were fun for all ages:

Summer Reading Kick Off – 93

Travel Journals – 22

Cardboard Creations – 21

Songs & Smores – 28

FPL Olympic Games – 59

Map Bookmarkers – 16

Summer Reading Finale – Off the Stick Ice Cream– 60

Ashley Nelson continued outreach with activities at the Falconer Park: 46

Choose Your Own Adventure (in house scavenger hunt) – 32

Weekly Guessing Jars: 555 (includes adults & children)

The summer band concerts were well attended:

Miranda Wilcox – 92

Pearl City Jazz - 210

New Horizons – 157

Razz and Friends – 108

Music to Remember - 41

All five fishing poles donated by the DEC were in use throughout the summer.

Our outdoor Story Walks were enjoyed by many:

- 1 – Bunnies on the Go – 41
- 2 – My First Trip on an Airplane – 47
- 3 – Our Great Big Backyard – 37
- 4 – Curious George and the Summer Games - 73
- 5 – Biscuit Visits the Doctor – 24 (in memory of Dr. Patricia J. Fales)

The final accounting of our 76<sup>th</sup> Annual Book Sale held on August 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> has been completed. We made \$4,408.47 on the sale. Our on-going sale from September 2023 – August 2024 brought in \$1,062.00 for a grand total of \$5,470.47. Many thanks to our library board, staff, volunteers, DPW staff, village board and staff, and community members for their help and support!

We also had a summer quilt and Halloween bag and puzzle raffle during the months of July and August. These raffles brought in \$336.00 with all proceeds being donated to the library. The items were crafted by our library patron, Sue Johnson. Elaine Lampropoulos created hand stamped cards for us to sell during our book sale. They brought in \$55.00. We certainly appreciate their donations and support of our library!

Story Hour classes for three-and four-year-old children is scheduled to begin on Wednesday, September 11<sup>th</sup>. Story Hour Director, Ashley Nelson has 11 children pre-registered for these Wednesday morning classes.

Library patron, Connie McCauley will be providing us with a quilt display for the month of September.

The Library Board will meet on Thursday, October 3<sup>rd</sup> at 8:00 AM.

Mayor Jaroszynski & Clerk Capestrani,

Thank you for allowing me to present on the 8-year review of Chautauqua County Agricultural District 8. I encourage the Board to review the ag. district boundaries within their municipality (if any) and submit any proposed modifications (additions or removals) or comments on agriculture within the municipality during the 30-day review period in August. I have attached the informational materials which were presented at your meeting including the flyer, public notice and map, municipality map, timeline, and review worksheet for your reference. Municipalities are welcome to utilize these materials as they see fit. I have also attached two sample resolutions for your reference. A simple resolution from the municipality stating they support the current Ag. District 8 boundaries in the municipality would be extremely helpful to the Chautauqua County Agricultural and Farmland Protection Board (AFPB). The AFPB values municipal input as they review the ag. district and develop their report for the County Legislature.

Please feel free to reach out with any questions or concerns.

Thank You

## **PUBLIC NOTICE**

### 30-Day Public Review Period for Chautauqua County Agricultural District 8 Eight-Year Review Towns of Busti, Carroll, Chautauqua, Ellery, Ellicott, Kiantone, Poland, and Stockton

Per New York State Agriculture and Markets Law Section 303-a(1), the County Legislature is required to review an Agricultural District eight years after its creation and every 8 years thereafter. Chautauqua County has designated August 1<sup>st</sup> through August 30<sup>th</sup> as the thirty (30) day public review period for the eight-year review. The review of Chautauqua County Agricultural District 8 will take place in the Towns of Busti, Carroll, Chautauqua, Ellery, Ellicott, Kiantone, Poland, and Stockton, Villages of Bemus Point, Cassadaga, Celoron, Falconer, Lakewood, and Mayville, and the City of Jamestown encompassing 99,006 acres. During this thirty (30) day period, any municipality, landowner, or State Agency whose territory is within the Agricultural District may propose a modification to the Agricultural District. Landowners may submit requests to **add** parcels of predominantly viable agricultural land or **remove** parcel(s).

The Chautauqua County Department of Planning and Development will accept requests from August 1<sup>st</sup> through August 30<sup>th</sup>. Please submit all requests to the Department of Planning and Development, 201 West Third Street Suite 115 Jamestown, New York 14701 or email to [sharppl@chqgov.com](mailto:sharppl@chqgov.com) on or before 4:30 PM on August 30<sup>th</sup>, 2024. Any questions on the process should be directed to the Chautauqua County Department of Planning and Development.

The Agricultural District 8 Review Worksheet, current Agricultural District Maps, and additional information can be found on the Chautauqua County Department of Planning and Development website at [bit.ly/CHQagdistrct](http://bit.ly/CHQagdistrct). A map of District 8 is on file and open to public inspection at the Clerk's Office of the Chautauqua County Legislature in Mayville, New York. Please call 716-753-4215 to schedule an appointment.

At the end of the thirty (30) day period, the proposed modifications will be submitted to the Chautauqua County Agricultural and Farmland Protection Board (AFPB). Based on the AFPB's recommendations, a report will be prepared for the Planning and Economic Development (PED) Legislative Committee's review. After review by the PED Legislative Committee, the recommendation will be forwarded to the Chautauqua County Legislature for a public hearing. Following the public hearing, the Legislature will vote via resolution to accept the recommendations made by the AFPB. The County Legislature will then send the resolution to the NYS Department of Agriculture and Markets to certify the modifications. If the Commissioner certifies the modifications, all changes will be in effect.

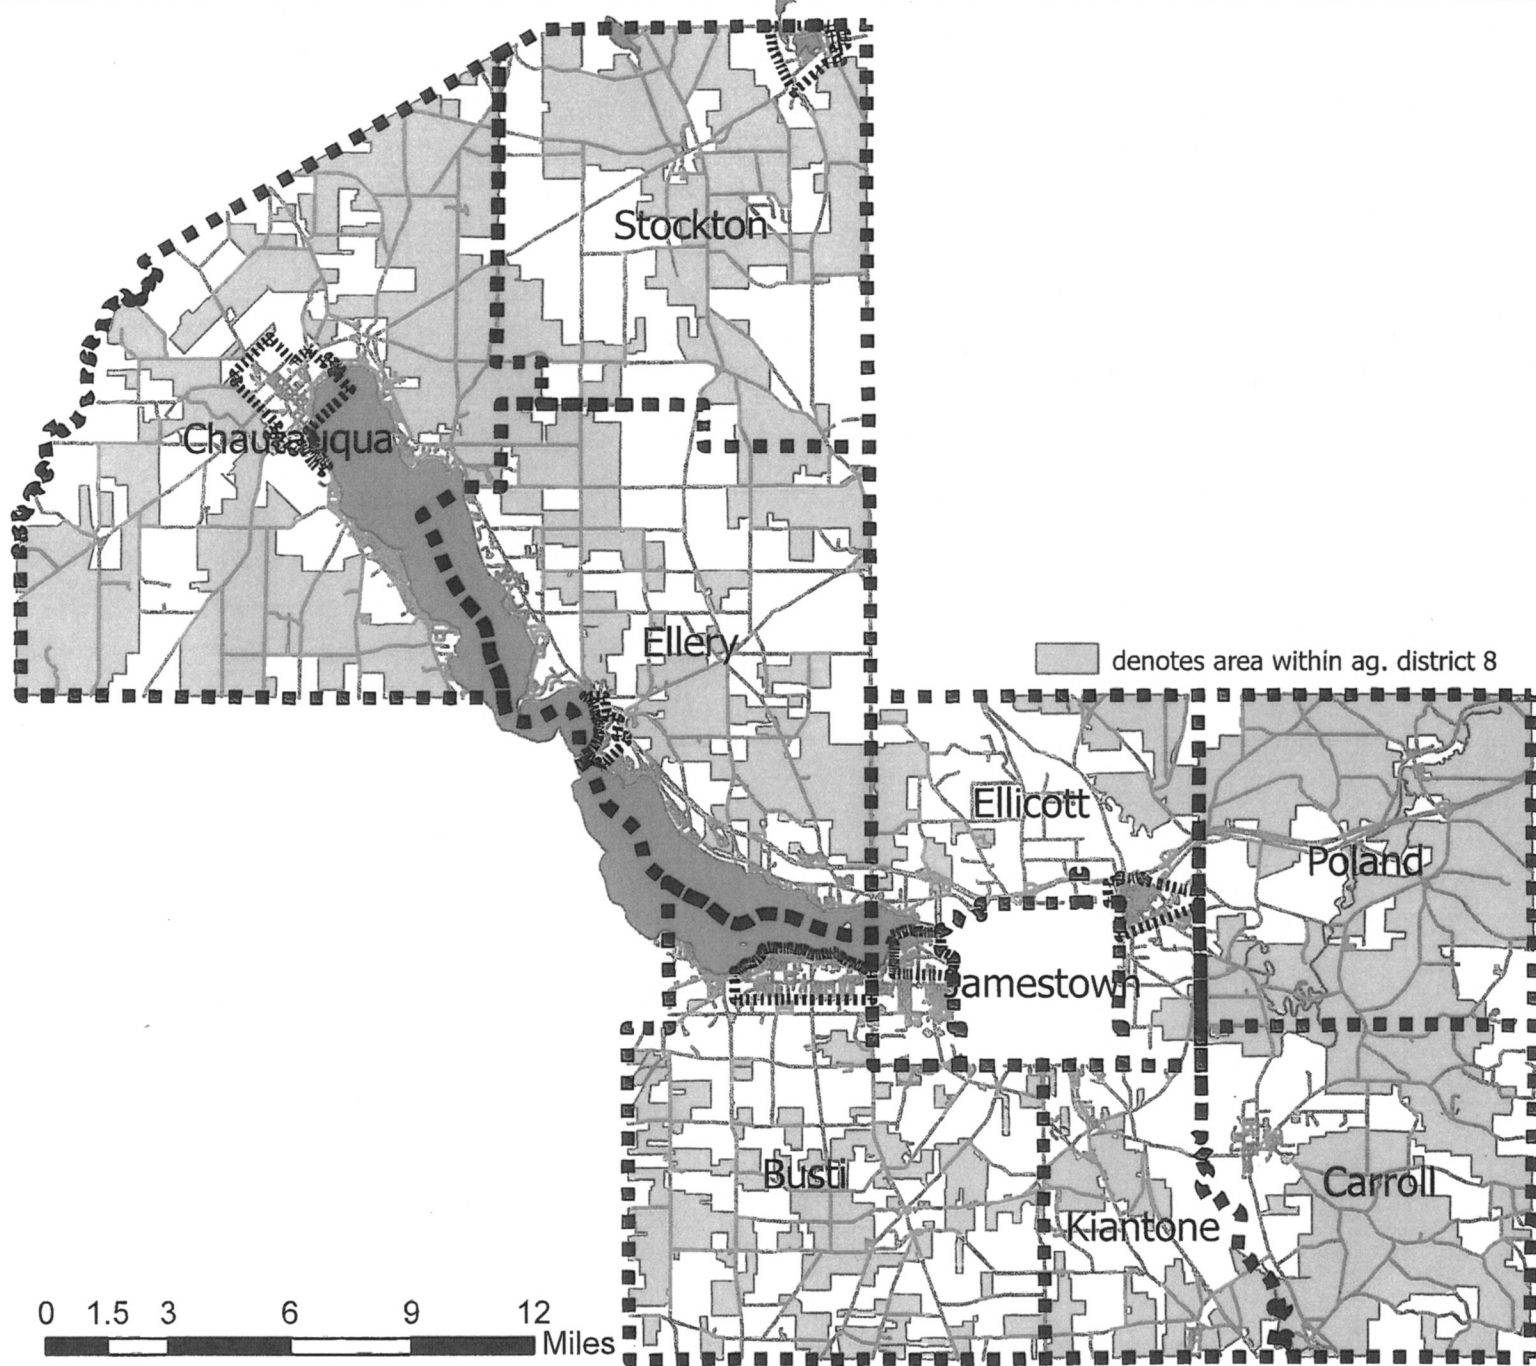

An agricultural district is a geographic area which consists predominantly of viable agricultural land. Agricultural operations within the district are the priority land use and afforded benefits and protections to promote the continuation of farms and the preservation of agricultural land. This should not be confused with the agricultural assessment program which allows eligible farmland to be taxed at its agricultural assessment. Land owners should see their local assessor to find out more information on agricultural assessment for their parcel(s).

hereinafter called "County,"

-and-

CONTRACTOR: VILLAGE OF FALCONER, NEW YORK  
A Municipal Corporation  
101 West Main Street

WITNESSETH:

NOW THEREFORE THE PARTIES AGREE AS FOLLOWS:

1. Services. Municipality shall provide snow removal and ice control services on the County roads specified in Appendix B, within the boundaries of Municipality. Such snow removal and ice control services shall be performed in accordance with guidelines attached hereto as Appendix C. Municipality shall use its own equipment, manpower, sand, salt, and brine to perform all work necessary for such snow removal and ice

control. Municipality shall inspect the roadways as frequently as necessary to protect the traveling public against road hazards.

No civil action shall be maintained against County for damages or injuries to person or property sustained as a result of the existence of snow or ice on the segments of County roads included in this Agreement, unless written notice of the dangerous existence of the snow or ice was actually given to County and County failed or neglected to take reasonable measures to either address the situation directly, or request that Municipality do so.

2. Term. This Agreement shall commence May 1, 2024, and shall terminate April 30, 2027. Either party may cancel this Agreement in whole or in part upon thirty (30) days' advance written notice. Accounts between the parties will be adjusted and prorated as of the termination date. County can immediately by written notice terminate this Agreement in the event Municipality violates any of the provisions of this Agreement, including incorporated Appendices.

3. Payment. County shall pay Municipality at the following rates:

<b>Year</b>	<b>Payment Rate, per centerline mile</b>

November 1, 2026 through April 30, 2027	\$11,022.00

If the cost of material and fuel increases or decreases by ten percent (10%) or more, County will reconvene with Municipality to discuss adjustments to the per-centerline-mile

pricing. The cost will be based on County's cost of material and fuel for the duration from November 1 to April 30 of each contract year. Payments cover all labor, material, machinery, insurance, and other costs.

Payment will be made upon submission by Municipality to County of properly executed and itemized invoices in form and content approved by the County Director of Public Facilities or a duly authorized subordinate. Payment will be made no later than July 1 for the preceding winter season, provided that invoices have been timely and accurately submitted.

4. Digital Signatures and Document Storage. Each party may affix a digital signature to this Agreement by electronic means. By affixing a digital signature the parties are affirming they have authority to enter into this Agreement, and that this Agreement executed by digital signature or other electronic means shall be legally binding and effective. Each party also agrees that this Agreement, and any document including or relating to this Agreement, may be imaged and stored electronically and may be introduced as evidence as original business records and neither party shall contest their admissibility.

5. Execution in Counterparts. Dear Department Members:

As part of our homecoming tradition, the Falconer Senior High Student Council would like to hold a bonfire and parade on Thursday, October 10th. The parade runs from Lions Memorial Field behind Tasta Pizza to Falconer High School and begins at 6:30. The bonfire follows the parade.

Your permission to hold these events would be greatly appreciated.

Also, for our safety, we request your assistance in overseeing the bonfire, including starting the fire and extinguishing it at night's end.

We know in the past that the Village of Falconer has supported our homecoming celebration and your involvement is appreciated.

If you have any questions or would like to discuss this further, please contact:
