Chapter 219 Quality of Life Ticketing

[HISTORY: Adopted by the City Council of the City of Jamestown 9-26-2022 by Ord. No. 2023-08-01. Amendments noted where applicable.]

☐ § 219-1 Legislative intent.

Lack of maintenance of properties, littering, improper storage of junk and debris, storage of inoperable/nonregistered vehicles, vendor operations without permits, high grass and weeds, graffiti and accumulation of snow and ice are costly problems that contribute to the deterioration of property values and general disorder in a community. These problems degrade the physical appearance of the City, which reduces business and tax revenue, inhibiting economic development. The quality of life and community pride of the citizens of Jamestown are negatively impacted by the occurrences and existence of these activities. Recognizing these are community problems, the purpose of this chapter is to promote the health, safety and general welfare of the City by helping to create and sustain a clean, healthy living environment for the citizens of Jamestown.

Falconer Public Library Director's Report October 2026

Story Hour

Our 30-week Story Hour program began on **Wednesday, September 16th**. We currently have one child registered for the 3-year-old class and four children registered for the 4-year-old class. Registration remains open for both classes throughout the month of September.

Library Card Sign-Up Month

During Library Card Sign-Up Month, we registered **3 new juvenile cardholders and 4 new adult cardholders**.

We also introduced a **"Welcome to Our Library" one-page guide** to help new cardholders learn about our hours, services, programs, and the many materials and resources available through the library.

I am currently working on guidelines for **out-of-area and temporary library cards**. These guidelines will help staff remain consistent when assisting individuals who are in the area temporarily for school, work, housing, or other residency situations.

Library Hours Survey

With permission from the Falconer Public Library Board, we are reaching out to our community to evaluate our current hours of operation and determine whether the library is open when our community needs us most. The survey began on **October 5th** and will run through the end of the month. We are encouraging area businesses and organizations to help us reach as many community members as possible by displaying our survey flyer. Anyone interested in displaying a flyer can contact the library to receive a copy. Many libraries in the surrounding area are conducting similar surveys with their communities. With new state policy requirements approaching, this is a good opportunity to evaluate our current hours and determine whether any changes may better serve our community.

Programs and Events for October

- **4-H Hayseeds Exhibit:** The 4-H Hayseeds exhibit is on display throughout the library for 4-H Week. Patrons are invited to stop in and see their beautiful projects before the exhibit is taken down on **October 17th**.
- **Girl Scouts:** The Girl Scouts will be at the library on **October 8th** to share information about their programs and opportunities with our patrons.
- **Holiday Closure:** The library will be closed **October 10th–12th** for the Columbus Day holiday.
- **WISE Program:** On **October 13th**, Ruth from Prevention Works will host a table event at the library to introduce patrons to the upcoming WISE program, which will be held at the library during November and December.
- **Teen Time:** Teen Time will be held on **October 13th and October 27th**. On October 13th, teens will make their own D&D dice towers using upcycled materials. On October 27th, we will host a Teen Halloween Party. Teens are welcome to dress in costume, and we will make squishy pumpkins and enjoy Halloween treats together.
- **Craft Club:** The Craft Club will meet on **October 20th and 21st** to make Christmas ornaments.
- **Halloween:** On Halloween, the library will be open during our normal **9:00 a.m.–12:00 p.m.** Saturday hours. We will be handing out treats and adorable bookmarks made by our Craft Club for our patrons.

DCO REPORT VILLAGE OF FALCONER AUG & SEPT 2026

8/25/26 – Received 2 voicemails from separate people about 20 Anderson Avenue. Neither caller identified themselves or their address. I returned both messages and only had one response from [REDACTED] on 8/26. Larry A Canaley at 28 Anderson ave is calling to report dog whining and concerns for dog's well-being. I informed him I have no jurisdiction regarding animal cruelty however I can stop over to check on the dog licensing and inform them about the village law and barking. He stated that his main concern was the dog's well-being, I told him the sheriff's department handles cruelty.

8/27/26 – Town of Ellicott confirmed no current license for that address.

9/5 – visited 20 Anderson Ave. No dog seen or heard on property, nobody present at house.

9/12 - Visited 20 Anderson Ave again. No dog seen or heard on property still, No response at house.

9/15/26 – Code enforcement officer called to report concern for dog well-being at 20 Anderson Ave. Informed him I have already visited twice due to another call and seen no dog. He said it's tied up out back under the deck/materials. I informed him that unfortunately I have no jurisdiction over dog cruelty and that he would have to contact the sheriff's dept. I told him I have had no luck contacting the dog owner to issue a ticket for unlicensed dog. He informed me her name is Tina Atwell. If calls continue to come in I will see if Ellicott Police can confirm a plate number and name match and then issue ticket on door if needed.

RE: Proposal to Build a Habitat House at 211 East James Street

Dear Mayor Jaroszynski and Trustees Cavallaro, Dunn, Gustafson, and Fagerstrom-Pierce,

The Chautauqua Area Habitat for Humanity (CAHFH) is a New York Not-for-Profit. The CAHFH is an affiliate in good standing with Habitat for Humanity International. CAHFH, using volunteer labor primarily, has rehabilitated several homes and constructed X homes throughout Chautauqua County, including x homes in the south county.

CAHFH works closely with the Chautauqua Land Bank. We understand that the village acquired the property at 211 E. James St. from the Land Bank several years ago. CAHFH and the Land Bank proposes that the village return the property to the Land Bank for the nominal sum of \$1. In turn, the Land Bank will obtain approvals and prepare the site to allow CAHFH to construct a single-family home for a qualifying Habitat family.

I have attached photos of the home CAHFH completed in Dunkirk last year and the start of construction on another home in Dunkirk this year. I have also included the architectural plans that we use for our homes (generic generally, then made site specific). Both projects involved the Land Bank.

CAHFH and the Land Bank work with the municipality and neighborhood residents to ensure code compliance and a seamless transition into the community for our Habitat families.

If the village is interested and willing, we would like to arrange a meeting to more fully discuss this opportunity and our proposal for residential development of this valuable village property. I can be reached at my personal number, [REDACTED]. Thank you for your kind consideration.

Very truly yours,

/s/ Mike Bobseine
